Broxap Ltd.
Quality Manager

In early 2005 **Broxap Ltd** acquired **CEL Products Ltd**, Newcastle-upon-Tyne. Based in Hebburn, Tyne and Wear, CEL have for many years been specialists in the design and manufacture of cloakroom/changing room fittings and elderly or disabled persons grab rails and shower seats throughout the United Kingdom.

The Company has recently been re-branded **Broxap Cloakroom Furniture**.

Broxap Cloakroom Furniture specialise in both entirely new projects (bespoke to cater for all requirements) and are experts in the refurbishment of existing changing room facilities which have become dilapidated in appearance due to constant wear and tear.

The company also provide a distinctive selection of grab rails, hand rails and shower seats, which are ideal for locations such as hospitals and medical institutes, etc.

Broxap now aim to continue maintaining a high quality product and an unbeatable service from its Glen Street Works at Hebburn.

Broxap Cloakroom Furniture offer a supply and installation service anywhere in the UK.
